

Welcome Back To The Globe

Our service has always been of key importance to us. We will endeavor to offer you great service but from a distance with a few little twists!

We are operating on a reservation only basis, when reserving a table or arriving for your reservation please ensure;

- That nobody in your party is displaying Covid 19 symptoms or has in the 7 days prior to your reservation; please advise us if this changes at any point.
- That your reservation meets the current government guidelines. Reservations for inside must not exceed 2 Households/bubbles. We have also chosen to limit the maximum number to 8 people. Reservations outside are limited to a maximum of 8 people from 2 households or up to 6 people from up to 6 different households.
- That you bring warm clothing and/or blankets for outside reservations, we are unable to supply blankets anymore and may not have space for you inside.
- That you use our hand sanitizing stations throughout your visit.
- That you are aware that you will be expected to remain seated unless using the toilet or exiting the pub. Very importantly, this includes children.
- That dogs are kept on leads at all times.
- That you are aware that we will store your personal details on file for 21 days and they will be used for the purpose of Track and Trace.

You will be greeted on arrival at the front door, asked to sanitise your hands and then we shall take you to your allocated table for the duration of your visit.

If you have specific physical needs, please discuss this with us as we may need to adapt your journey around the pub.

As the situation evolves, so will our policies. Please be aware that this is as new to us as it is to you. Everything that we have implemented is for the safety of our team members, customers and local community. If there is a problem please speak to US, DIRECTLY about it.

We look forward to welcoming you back to The Globe.
